

Lone Star Natural 2026

Hotel & Lodging Options Near Uptown Theater

Grand Prairie, Texas 🌞

Because the 2026 FIFA World Cup events are bringing unusually high hotel demand to the Dallas–Fort Worth area during the same timeframe as Lone Star Natural, many hotels are limiting or not offering traditional group discount blocks this year.

Instead of locking competitors and guests into one location, we recommend booking early and choosing the lodging option that best fits your budget and travel style.

Airbnb and VRBO may also provide excellent options for families, teams, coaches, and competitors traveling together.
